Dear 

I have your letter of 9 September 1965 constituting Amendment No. 5 to Contract AF33(600)-40274. The actual overhead rate which we negotiated with your auditor for our fiscal year, July 1, 1964 to June 30, 1965, was  rather than  as stated in your letter. I am therefore returning all three copies unsigned for correction of this error.
